When the Ounce of Prevention Fails

★ Warning against accidents in the home and on the highways is old stuff to most of us. Many industries have made real progress in accident prevention, but our homes continue to produce minor and major injuries on an ever-increasing scale.

In spite of every precaution, accidents will occur. When the "ounce of prevention" fails, it is wise to have "the pound of cure" ready and at hand. See that your medicine cabinet is amply stocked with standard first-aid materials. Keep a first-aid kit in the pocket of your car. We shall be pleased to help you select the essential items from our complete stock.

Sorensen vs. Harris in Selectman Race

Sudden Announcement of Candidacy Will Make It a Two-Lane Track. More Contests Develop for Town Meeting Member and Library Trustees.

Early this week Marcus L. Sorensen of 27 Langley road announced his candidacy for the Board of Selectmen. This brings up a two-way race between Sorensen and George A. Harris, who announced his candidacy early in December. The winner will replace Harold Cahalin, present Board chairman, who declined to run for re-election because of pressure of business.

Mr. Sorensen stated to the Advocate Tuesday that "I was urged to run by friends and many interested citizens of the town." He declined to enlarge upon this, pointing out that a policy and campaign meeting with his supporters was not to be held until tonight (Thursday).

In Two World Wars
Mr. Sorensen has been a Town Meeting Member for the past ten years. Several years ago he served on the Finance Committee for five years, being the vice-chairman his last year. He is married and has one married daughter. He is treasurer and buyer for Davis-Parker Co. of Boston, wool merchants. He served in World War I in the Artillery, seeing action in France.

In World War II he served with the Coast Guard Reserve, reaching the rank of lieutenant (j.g.) in 1905 was received from the Polio Benefit given last week in the Town Hall. She hopes to find \$10 more which will enable the \$15 in expenses to be covered, leaving \$1000 for the net total.

Through these columns, Mrs. McKeever wishes to thank the workers and supporters of the successful affair.

School Official Praises Advocate Story on Membership Apathy

Joseph H. Gaudet, Supervisor of Americanism in the School Department, opened the second session of the Local Government Forum Thursday evening, Jan. 20, in the Junior Hall of Robbins Library, which was well filled.

Mr. Gaudet called attention to the article in the Jan 20 edition of the Advocate, "Scant Interest in Town Meeting Forum", urging all to read it, then do something about filling vacancies among Town Meeting members up for election in March.

James J. Golden, Town Clerk, explained the Government of the town in a clear, decisive manner which was made easier of understanding by following a chart which had been devised and executed by Mr. Gaudet and given each person upon entering the hall.

According to the population of 43,550, Mr. Golden, in explaining each of the many departments, pointed out which officers were elective and which appointed; those paid and unpaid; those under civil service and not, and many other interesting facts.

With the whole set-up at his finger tips, "Jimmie", as he is called by thousands, made his apparently dry subject scintillate.

At the third session of the Forum on Thursday evening, Jan. 27, the speaker will be John L. Murphy, member of the Board of Public Works, who will discuss the Board of Public Works, the Board of Selectmen and the Town Meeting Moderator as to their responsibility and authority.

Woman Arrested on Worthless Check Charge

The attractive 40-year-old well-dressed woman who passed three worthless checks on different merchants here during the past few days, was arrested Wednesday by Needham police and is now held in Dedham jail on a larceny charge. Police Inspector Curran of the Arlington Police reported today. The checks, each made out for \$250, were signed "Anne E. Carton", but when arrested, the woman, according to Inspector Curran, said her real name was Margaret Deely and her home Springfield, Mass.

Archbishop Cushing to Visit Here Sunday

Members of St. James' parish, Arlington Hts., were informed at all the masses last Sunday by their pastor, Rev. Maurice J. O'Connor, D.D., L.D., that His Excellency the Most Rev. Richard J. Cushing, D.D., Archbishop of Boston will speak on this Sunday, Jan. 30, at the 7:30, 8:30, 10:30 and 11:30 o'clock masses.

The Archbishop will enumerate on the many and various charities in the Archdiocese under his sponsorship and will give the people of St. James' parish, known for their charity, an excellent opportunity to respond in a similar way to the Archbishop.

Badly Hurt

Six-year-old David Rivers of 83 Brattle street was badly injured last Sunday night when his sled coasted into an automobile owned and driven by Philip V. Chiumiento of 109 Main street, Woburn, at Brattle and Summer streets. Mr. Chiumiento rushed the boy to Symmes Hospital, where it was found he had a possible skull fracture. His condition was reported today as fairly good.

Attorney General Approves By-Law

It was learned early this week that the Attorney General of the Commonwealth has approved the By-Law which makes attendance of Town Meeting Members a matter of public record. The By-Law, first suggested by The Advocate, received the support of The Citizens' Committee and was passed at the recent Special Town Meeting.

It is interesting to note that 22 out of the 25 members not running for re-election were not present at the last meeting.

The unfortunate fact now looms that the roster of Town Meeting Members may not be filled this year. However, it is believed by many that this condition will be remedied if not this year, then next. Then John Q. Arlington will be truly represented.

—John F. Tierney of 59 Winchester road, has been re-elected president of the Broadway National Bank in Chelsea.

LAYING PLANS FOR BROTHERHOOD WEEK

At a recent meeting in the Hearing Room of the Town Hall, representatives from many civic and social clubs gathered to lay plans for observance of BROTHERHOOD WEEK. The Rev. Robert M. Rice, chairman of the committee, is presiding, flanked by David Governor and Leonard Wood, executive committee members. As the picture portrays, the meeting was informal and cordial.

Brotherhood Week To be Observed

Last Friday, the executive committee of the Arlington Brotherhood Week Committee met and decided to set Wednesday, Feb. 23, as the date for the observance meeting in the Town Hall. Thursday, Feb. 24, was abandoned in order not to conflict with the Forum on Town Government.

As last year, when Bill Cunningham was the principal speaker, the program will be an interesting one with the local clergy represented, music, community singing, and a speaker (to be named).

Many local organizations have already registered again this year. The executive committee includes the Rev. Robert M. Rice, chairman; James J. Golden, vice-chairman; David Governor, secretary-treasurer; Arthur J. Mansfield and Leonard Wood.

Polio Fund Benefit

Local basketball fans are in for a treat when the high flying Arlington Legion team clashes with the fast traveling Arlington Boys' Club varsity in a benefit game for the March of Dimes fund at the Lowe Memorial Gym on Sunday afternoon, January 30 at 2:30.

The intense rivalry between these two clubs indicates that a large crowd will be on hand to witness the hot contest that this game usually becomes.

Post 39 team is at present leading the Middlesex Legion League and features a strong lineup of Capt. "Dinny" Shea, "Shrimp" Ahern, Bill Whitney, Bob O'Brien, "Mike" McFadden and several other stars under Coach Frank Powers.

Coach Joe Tobin of the Boys' Club has had a good season to date with 10 wins to 3 losses and a good squad of former Arlington High School players paced by Capt. Joe Keohane, Bob O'Neill, Bill Sullivan, Joe Guarnotta, Bill Casey and several other fine players under the 21 year age limit of Boys Club Competition rules.

The opening game will feature a contest between the 100 lb. midweight team of the Boys' Club and the 100 lb. midweights of St. James (Arlington) C.Y.O. The Boys' Club midweights have had an unbeaten season to date and are coached by Bill Mulcahy of the Arlington Boys' Club.

Officials for the contest will be John Finnerty of Arlington and William Moan of Newton, who are donating their services.

Guest Night at Evening Alliance

On Wednesday evening, January 19, a guest evening of the Evening Alliance was held at the First Parish (Unitarian) Church.

Miss Gertrude Redmond, president, conducted a short business meeting, which was followed by an inspirational New Year devotional service.

Mrs. Isabel Pettengill, music chairman, introduced a talented trio of young musicians from St. John's Parish in Cambridge. First, the pianist of the group, Miss Eleanor Sullivan, played a Concerto by Rachmaninoff for piano. Then the trio—Miss Sullivan, Miss Joan Quinn and Miss Lorraine Doucette, sang Bach-Gounod's "Ave Maria" and "My Blue Heaven." Miss Sullivan accompanied them at the piano.

The speaker of the evening, Mrs. Grace B. Mitchell of Somerville, entertained Alliance members and guests with a delightful talk on "Patrials and Perennials." Preceding her talk she exhibited many old coins, daguerotypes and curios used "in the dear old days beyond recall."

She then took all on a narrative trip over the years when almost all little girls wore braids, the beautiful high-combed days, the promenade days and even the favorite dances of yesterday. Irene and Vernon Castle were featured, for it was then when ladies wore short locks for the first time. Down the years the company traveled to the days of "perennials" and today when hairdressers are showing decorative little braids for milady's hairdos on special occasions. Mrs. Mitchell concluded her talk with a skit on the teen-ager of today who prayed for a Prince Charming, but if there were a shortage there she would "settle" for some candy and a corsage.

Mrs. William Lowenhaupt and Mrs. Carl Carlson were in charge of the refreshment table, with Mrs. Ernest Benishimol potting. A tempting repast concluded a most enjoyable evening.

"Sweethearts" by Friends

Final plans for the forthcoming production of Victor Herbert's immortal musical comedy "Sweethearts" will be discussed when the Friends of the Drama meet for their initial meeting of 1949 at their Academy Street Club-house on Sunday afternoon, Feb. sixth.

"Sweethearts" will be the fifteenth annual musical presentation of the Friends of the Drama, and the production will again be under the direction of Edward W. Center and Helen Center of Arlington, well-known New England producers of the standard light operas and musical comedies.

Because of the crowds which have taxed the seating capacity of the small playhouse in previous years, "Sweethearts" is to be given for six evenings during the week of February 14, appropriately opening on Valentine's day. It will be the first time that the Friends of the Drama have played a production for a full week and advance interest in the popular Victor Herbert musical comedy indicates that this year's show will attract capacity crowds.

A social hour followed, during which the hostess served refreshments and Mrs. L. E. A. Smith poured. The next meeting will be on Tuesday, Feb. 8, at 2 p. m. at the home of Miss Caroline D. Higgins.
